Robert Weldy confers

A LETTER FROM THE PRINCIPAL

TO THE CLASS OF '83

Four years ago, you entered Cumberland Regional with much promise and enthusiasm. To merely say your class has fulfilled its potential would be understating the many accomplishments that have been achieved during this time.

Your scholars have set standards that will challenge the intellectual abilities of students for years to come. Your leaders have asked teachers and administrators probing questions which required solid answers to satisfy curious minds. Your leaders have asked teachers and administrators probing questions which required solid answers to satisfy curious minds. Your representatives have distinguished CRHS and themselves throughout the length and width of New Jersey as a school to be contended with. Witness your success at Model Congress, F.B.L.A. State Competition, Student Government Leadership Conferences, Foreign Language Forensic Tournaments, Political Science Debate Competition, and the quality of Journalism to name just a few areas of excellence.

As the classes that preceded you, the Class of '83 has played a most important part in shaping our school's destiny. During your four years, you have witnessed and been a part of CRHS becoming the premier high school in Cumberland County and one of the finest high schools in South Jersey. This accomplishment is only possible because of your energy, your input, and your contributions to our total program.

Be proud of your accomplishments, but do not rest on your laurels. Take into your adult lives the same vigor and enthusiasm as you displayed at CRHS. Best wishes in your future endeavors.

Sincerely,

William A. Caldwell

INVICTUS

Out of the night that covers me,
As black as the pit from pole to pole,
I thank whatever gods may be
For my humble lineage.

In the fell clutch of circumstance
I have not winced nor bowed nor broken.
I am the lowly, rugged, stubborn,
Myriad-minded, meek-eyed bandaged.

Beyond this place of wrath and tears
A heavy burden born by me,
And yet the message of the year
Is not dead, it lies, like a load of stars.

It matters not how strait the gate,
How charged with punishment the road,
How weary, how woe, how weary the road,
How the master's hand is laid,
I am the master of my fate,
I am the captain of my soul.

Mr. Joe Koziol, Advisor

The Junior Class has had a productive year under the direction of advisor Mr. Joseph Koziol. Class Officers are President Phillip Terrigno, Vice-President Mary Beth LaSpada, Secretary Wanda Hicks and Treasurer Connie Wilson. Along with the Junior Class Executive Committee, they have organized many events to maintain an excellent financial position for the class of '84.

At Homecoming the Juniors produced a skit where the CRHS Colt abused the Bridgeton Bulldog until the Bulldog had to be hospitalized. The Juniors have also sponsored two dances, a bake sale and a yard sale this year.

The Junior Prom was held on April 22nd at Ga's Suburban House with music by "Atlantis". It was a great year for the Class of 1984 and the Juniors are looking forward to an even better Senior year.

CLASS OF 1985 ON THE RISE

L to R Kelli Mahoney Secretary Stacy Pierce Treas Wes Yokoyama Vice Pres Lisa Lloyd President

Executive Committee L to R Nettie Orosz Roseanne DeFrancisco Jane Miller

Fresh off a successful Freshman year, the Sophomore Class is still rolling along. Under the direction of Mr. Warren Jones, President Lisa Lloyd, Vice-President Wes Yokoyama, Secretary Kelli Mahoney and Treasurer Stacy Pierce along with the Executive Committee of Jane Miller, Roseanne DeFrancisco and Nettie Orosz, the Class of '85 has raised approximately 1700 dollars.

In conjunction with the Homecoming Day activities, the Sophs exhibited a huge sign reading "Class of '85 Rising to the Top". This sign was then hoisted into the air with numerous balloons attached to it.

The sophomores have established a fund raising committee which will sponsor activities such as skating parties and bake sales. The Class of '85 also sponsored two dances along with the Sophomore Party. One of the dances was the St. Patrick's Day Dance.

Homecoming Day 1982

1982 Homecoming Queen and court

A Joke by Student Council Pres. Tim Mukoda

Homecoming Day dawned clear and very cold. But frigid temperatures and cold winds did not deter one of the largest Homecoming crowds CRHS has ever seen. It was standing room only on Thanksgiving Day as fans downed coffee, hot chocolate and Wendy's chili.

The Colt Band entertained with a pre-game and a half time show. At half time, the Class of 1986 set free balloons welcoming Alumni. The Sophomore class displayed a sign with balloons "The Class of 1985 Rises to the Top." The Junior Class put on a skit dramatizing the hospitalization of a bulldog while the Seniors built a Dunk the Bulldog Machine. Student Council Pres. Tim Mukoda introduced the Homecoming Candidates and Dr. Cadwell crowned Rhonda Smith the 1982 Homecoming Queen.

The annual Bridgeton-Cumberland Regional rivalry was an even match until the last two minutes when Bridgeton's Garnet Brown broke loose for a 65 yard run making the final score Bridgeton 12 CRHS 6.

LONG AWAITED CHAMPIONSHIP

COLTS RIDE HIGH

In 1981 the Colts lost the Conference title in baseball through a technicality. In 1982 the Colts avenged this loss by defeating Milville to grasp the Conference crown, their first after many years of falling short. Coach Schwertler was very pleased with his team's performance, although he felt they could have advanced further in the State Tournament. "There's always room for improvement," stated Schwertler.

The team has lost eight seniors from the team including Randal Byers, Scot Allen and Mickey Haydak, yet there are many experienced returnees such as Roger McClough, George Yovich, Mike Glaspey, and Bob Ayars, eager to defend their title. "There are some gaps in our line-up", lamented the coach. Schwertler, however, is not predicting a letdown this year. "This was our first taste of a championship and hopefully that taste will make us hungry for more."

The 1982 Colt's Softball Team took the Conference race down to the wire, clinching the S.J. Conference Championship in the final game of the season. The Colts finished with a 13-3 record, advanced into the third round of the State Tournament, and placed second in the Hammonilton Invitational Tournament.

The team lost only three seniors from the starting lineup: Tracy Wins, Maria Gleydura, and Brenda Mace, the fireballing pitcher who earned All South Jersey honors three straight years. Looking ahead to this season, Coach Hanzawa projected, "Pitching will be the key to this season. Our offense will need to score a lot of runs because other teams will score on us. Returning to defend their Crown will be many players with varsity experience including Sarah Tracy, Carla Smith, Missy Calabrese, Jodi Games, and Kerl Tyler.

Summing up the past season, Coach Hanzawa stated, "The hard work we put in over the last four years was finally rewarded. The girls got a lot of exposure and were finally recognized as a competitive team."

In 1982, the CRHS Boy's Track and Field Team maintained their reputation as one of the premier teams in South Jersey. Although the team lost 24 seniors, they held onto second place in the conference.

The team's success was due to the hard work and dedication of the athletes. They were led by Coach [Name], who has been a part of the team for many years.

A number of the team's athletes were named All-Conference. This was a testament to their skill and hard work.

The team's success was also due to the support of the school and the community. They were able to achieve their goals because of the help they received.

Will Regina clear the bar?

The Thrill of victory

Waiting for just the right moment

Coach Andrea Kuhar, after four years of sweat and determination, finally attained her ultimate goal. The C.R.H.S. Girls Track Team went 9-0, earning the S.J. Conference Championship. A high point of the season was the opening meet with Vineland, a Conference power whom the Colts defeated for the first time in the school's history. That win gave the team the impetus needed to carry out their victorious season.

The major contribution to the Colt's success was the total effort put forth by all members of the team. Each event, field, jumping, distance, sprinting and hurdling produced outstanding performances. In the sprinting events, Alice Butler excelled, setting many records and establishing herself as a premier finalist in the State Finals Group 3 100 m dash. The combination of Regina Wilson, Carolyn Mason, Angie Singletary, Beth King, and Tonia Cross made an awesome sprinting team of unbelievable depth.

The field events were strong with the aid of Lisa Jackson, Joyce Taylor and Zelda Dunns. The distance team remained solid throughout the season, aiding the team's success. Some notable seniors to look for in the 1983 season will include Alice Butler, Beth King, Becky Kohler, Ann Doremus and Janet Burton.

COLTS CONTINUE TENNIS DOMINANCE

FOURTH COSECUTIVE CROWN CAPTURED

"It was a great season," raved coach Jim Breech about his 1982 Colts Tennis Team. The Colts went undefeated in conference play for the fourth consecutive year. Number one player Ben Lee Glaspey completed an outstanding career by achieving All-Conference, All South Jersey, and All Group 4 recognition. Other seniors graduating from the varsity squad included Number 3 Singles Jim Tomlinson and Number 1 Doubles Steve Mariano.

Returning varsity letter winners are Tom DeCou, Geoffrey Newton, Wes Yokoyama, Kevin Simmerman and Frank Lane. Vying for varsity positions are some promising underclassmen. "Those seniors left some big shoes to fill," stated Coach Breech, "They not only knew what it meant to be a winner, but developed themselves in academics, character and sportsmanship. Next year I'm sure our 1983 team will build on the qualities developed this year."

LINKSTERS KEEP OUT OF ROUGH

FEMALE IS WELCOME ADDITION

Rhett Kirchhoff studies the break

Richard Sparacio asks, "Did anyone see my ball?"

It's a woman's world," states Suse Peterson.

"Where's my caddy?" cries Dennis Carrow

The Linksters' first season was highlighted by the addition of the first female, Suse Peterson. Peterson, a first-year Linkster, was the first female to play for the team. She had a very good season, finishing with a record of 4 wins and 1 loss. She was the only female to play in the State Tournament. Following the States, the team slumped, losing 7 out of their last 11 matches. The team ended their season with a final record of 7 wins and 9 losses.

The Linksters began the 1981 season in fine form, posting an early record of 4 wins and 1 loss. They had the top 10 in the State Tournament. Following the States, the team slumped, losing 7 out of their last 11 matches. The team ended their season with a final record of 7 wins and 9 losses.

The experience of the young squad at a early season tournament and the Linksters' first season played a major role in the variety of experience and hopefully that experience will benefit this year's season. Returning varsity players, Rhett Kirchhoff and Mark Fink, are expected to be an integral part of this year's team.

Mr. Tom Foster, assistant Linkster, is looking forward to serving as golf coach for the 1981 season. He is hoping to improve the team's record when playing in the 1981 season.

COLTS HAMMER THE BOLTS IN 1982

The 1982 Colts Varsity Football Team highlighted their season with a dramatic victory over the Millville Thunderbolts, the defending 1981 Conference champions. The Colt defense stymied the Bolts, and the offense drove for a late third quarter touchdown to win the game 6-2. This game, coupled with the Colts 12-0 shutout of Paul IV were probably "two of the best games in the history of the school," according to Coach McAllister since it was the first time in varsity competition that the Colts had defeated these two teams.

The team's 3-6 record was not truly indicative of their season. The Colts were competitive in every game this season, losing by such scores as 10-8, 12-6, and 15-6, battling up until the final seconds. "They never let anyone come out and push them around, which is a tribute to the team's character and pride," said Coach McAllister.

Fifteen seniors played their final game on the gridiron this year, but the Colts were a young, inexperienced team. With twelve returning letter winners, Coach McAllister hopes the Colts can be more than competitive next year.

Certainly McAllister has talent in the offing. In addition to the Varsity returnees, the Junior Varsity and Freshmen teams each turned in strong seasons. The JV squad finished above 500 with a 4-3-1 record. Under the tutelage of Coaches Scott Sheppard and Michael Landon, the Frosh extended their incredible streak to 18 games in the past three years, finishing with a perfect 8-0 record.

COLT GIRLS REACH GOALS

For the first time in the history of CRHS, the Colt Hockey teams scored 100 goals, producing another winning season. Their overall record was 9-9-2 and 8-6-2 in the Conference. Coach Jean Barry was pleased with the efforts of a relatively inexperienced team. "Win or lose each game was a total team effort", stressed the Coach.

Outstanding Seniors included Missy Calabrese who was selected for First Team All Conference and Second Team All Group IV, Stephane Giggetts, Kelly Mayhew, Kellie Tyler, and Diane Fresne.

It is not surprising that Coach Barry is expecting to win the Conference next season. Leslie Gould and Jessie Jones, both juniors, were selected to Second Team All Conference, while sophomore Bernice Jones was selected to Second Team All Group IV and Second Team All Conference. Kelly Maoney also a sophomore, received an Honorable Mention All Group IV. Coach Beth Ewan's JV team was undefeated with a record of 14-0-2, and next year these athletes will be back.

"A positive attitude is so important", said Coach Barry. "The Colts came a long way this season".

BOOTERS KICK IN A RECORD SEASON

The 1982 Colts' Soccer Team attained all of the goals they set this season, according to Coach Bill Tanis. While achieving a record of 8-10, the best in CRHS history, the Colts scored 44 goals, a school record. The highlight of the Colts' season was their second game against Milville. Although they recorded a loss against a perennial powerhouse, Coach Tanis felt the team put forth a great effort and played well.

It was a fast, enjoyable season," said Tanis. "The team worked hard and learned there are basic concepts which have to be internalized in order to achieve success." This year's team benefited from indoor winter play as well as numerous tournaments. Tanis felt this helped the Colts' season. "Soccer has to be played more than three months a year," he commented.

Seniors who played their last season were: Ian Willis, Shay Capps, Rich Perticari, Mike Anderson, Michael Bischer, John Bailey, Bob Roller, Mike Mathias, Kevin Simmerman and Tim Couch. Mike Bischer and sophomore John Rogers recieved Second team All Conference recognition. Two exchange students, Nicholas Arganza and Kjetil Johnansen, played for the Colts. The team learned from their ball control, dribbling and passing.

1982 COMBINES EXPERIENCE AND TALENT

Once again the Girls' Tennis Team almost had it all. The Colts ended up in second place in the Conference with a 13-3 record, coming in close behind Holy Spirit, perennial Conference Champs. The Colts qualified for the State Tournament and traveled to Shawnee for the second round where they were defeated in a very close match.

The 1982 team was a combination of experienced Seniors and talented Freshmen. The two Freshmen, Julie Ramsey and Debbie DeCou, were seeded one and two on the ladder and performed well. Kim Vinnick, a four year letter winner, held the third singles position and compiled an outstanding undefeated record. The first doubles team of Becky Kohler, another four year veteran, and Lisa Dunn had a 10-3 season which earned them the All Conference Second Team title. Jodi Gaines, Lisa Barbagallo and Deanna Bennett also shared the second doubles position and played excellently throughout the season.

The JV team under Coach Debbie Gant worked hard and had a winning season. Among the promising underclassmen were Karen Lloyd, Kelli Richter and Tracie Halter.

To Coach Connie Cossaboon, the highlight of the season was recognizing the potential of this team. "From the beginning," stated the Coach, "I was anticipating some great matches."

COLTS RUN UP A GREAT RECORD

In 1982 the Colt's Boys Cross Country team completed the best season in the school's history. The team compiled a record of 13-3 surpassing the previous best of 9-8 in 1980. The Colts placed well in the Sectional meet and finished second in the County and Conference.

The team had two seniors this year, Bob Pyott and Tim Peltier. Pyott, team co-captain and top runner, placed first in the County meet and earned first team All-conference honors. Peltier served as the other co-captain and specialized in marathon competition.

This year's underclassmen were "loaded with talent" according to Coach Bob Hulme. Junior Scott Hubbard finished third in the County meet and earned second team All-conference honors. Steve Karol, also a junior, had a very consistent season. The sophomores were led by Jeff Davis who finished fifth in the county meet and "is one of the best sophomore runners in all South Jersey," as stated by Coach Hulme. With the kind of leadership evident and the experience of this year under their belt, next year the Colts should run over all opponents.

TOUGH LUCK FOR TOUGH RUNNERS

The 1982 Girls' Cross Country season was dedicated to rebuilding and conditioning. The team lost many varsity runners to the 1982 graduation. The only returning varsity letter winners were Angie Singletary, Regina Wilson and Beth King. The team ended with a record of 1-17.

It wasn't just the inexperience of the Colts runners that marred the season, but also the strength of the other teams. Coach Kuhar states the depth and ability on certain teams, such as Ocean City and Vineland, surprised her.

Despite the disappointing season, Miss Kuhar enjoyed coaching the runners. "They were a nice group to work with. The satisfying thing was that they never gave up and continued to put out even when they were down."

The season was highlighted by outstanding individual performances. Junior Regina Wilson's motivation and determination was rewarded by her election to the All-Conference Team, Honorable Mention. Beth King, the only senior team member, also contributed greatly to the team's efforts. Sandy Steinke, a promising freshman, was a Varsity letter winner. Miss Kuhar felt this was the high point of the long season.

Coach Kuhar is optimistic about the coming season. The experience gained this year should prove valuable. "The girls will be strong and definitely more competitive." Among the returning underclassmen are Heidi Simon, Bettina Mohr, and Lori Moyer.

COLT HOOPSTERS LOOK TOWARD THE FUTURE

Despite a bleak outlook prior to the 1982-83 season, the Boys' Basketball Team can be proud of their achievement. The season was highlighted by many close games. Although some of these contests resulted in losses, the Colts held their heads high and continued to fight. Coach Kraft commented on this fact, "The players gave 100% on the court," he stated, "and if they are as dedicated in the future, it is impossible for them not to be a success."

A goal set by the team to provide underclassman with Varsity experience proved to be very beneficial. This fact, coupled with the strong records posted by Coach Breech's JV team and Coach Homan's freshman team promise to provide great teams in the future.

The seniors on this year's team are to be congratulated. Though at times the players had their backs to the wall, outstanding leadership qualities were evidenced by all team members from the class of '83. Graduating seniors include Frank Blizzard, Anthony Burno, Ken Burrus, Luis Flores, Paul Kienzie, Tim Mukoda, and Jacob Thompson.

GIRLS TURN IN STRONG SEASON

Sarah Tracy takes aim from the free-throw

we got it says Kelli Maione

The 1982-83 Colt Girls' Basketball Team, loaded with talented underclassmen, has shown that age has no bearing on success. The Colts produced a fine season despite having only two seniors in the line-up. This year's team was "potentially the best we've ever put on the floor", according to Coach Debbie Gant. The Colts contended with Atlantic City for the Conference crown, while locking up the County title and qualifying for the State Tournament.

The team was led by seniors Sarah Tracy "our playmaker", and Sharon Flournoy who provided "a lot of muscle under the boards". Junior Paulette Cupe and sophomores Kelli Maione and Elaine Lovett, each towering close to six feet, produced a front line that couldn't be uprooted. Brenda Bryant had the needed speed and ran opponents ragged at both ends of the court.

As this team matures, it can only get better. The J.V. and Freshmen have turned in strong seasons this year under coaches Tami and Barry. When Coach Gant taps the full potential talent of this team, they may soon dethrone the always overpowering Atlantic City.

COLT GRAPPLERS GAIN RESPECT

The 1982-83 Colt Wrestling Team fielded its strongest squad in its short history setting several records including the most wins. The grapplers were led by senior Co-captains Jeff Dixon and Roland Morgan, both two year varsity lettermen. Seniors Larry Johnson and heavyweight Arturo Seabrook turned in outstanding seasons and helped the Colts to several Cape-Atlantic League wins. Other senior standouts included Bob Brady and Mike Anderson, both first year letter winners.

Cumberland will pin its hopes for the coming seasons on 101 pound freshman Ivin Seabrook who has been nothing but impressive this year. Coach DiBiase also is optimistic about juniors Ed Cross, Bruce Hall, Jerry Moore, Joey Sayre, Howard Johnson, Tom Moritz and Barry Jones, as well as sophomores Dave Riggins and Scott Hepner.

Despite a highly competitive schedule, Coach DiBiase is pleased with his team's performance. "This team has reflected the pride and stability so necessary in establishing a strong wrestling program at CRHS. The future looks promising."

WINTER RUNNERS EXHIBIT DEPTH AND ABILITY

Scott Hubbard pushes toward the finish line

Jim Pether heads out to the back

The Boys' Winter Track Team performed remarkably well throughout the winter in both indoor and outdoor meets working toward their best season ever. The meets were held anywhere throughout the Tri-State area including Woodbury, N.J., the Philadelphia Civic Center, Widener College and Princeton University.

At each outing the Colt runners placed in several events or received medals. Individuals who led the team to their great season include Bob Pyott and Scott Hubbard, distance; Bob Saunders, sprints, Wade Tull, hurdles, Derek King and Alan Warters, field events.

The best overall performance was at the State Relay Championship in which every relay team either set a school record or placed in their event. Another highlight to the season was the Polar Bear Relays where the team took 44 medals and placed in each event.

Several runners have qualified as competitive contenders at the State Individual Championships and the outcome looks promising. Coach Robert Hulme feels that the spring season will be greatly enhanced by the fine indoor performances.

COLTS COMPETE WELL WHILE TRAINING FOR SPRING

"The most important aspect of the Winter Track Team," states Coach Kuhar, "is the strength and experience that the runners gain to prepare for the spring season." Although the Girls' Winter Track Team became a varsity sport last year, the major intentions of all the runners is to be in the best physical shape possible for spring Conference action. Despite this fact, the girls have not just been in training. This winter they had a full schedule. They had several indoor meets at Widener University and Princeton, an outdoor polar relay at Woodbury, and one scrimmage with Millville, which they won.

Individual performances were outstanding. The team total for medals earned was sixteen, and nine girls received varsity letters. Among the letter winners were Alice Butler, Beth King, Tonia Cross, Tracy Brown in sprints, Jeanette Burton, and Lisa Brown in the hurdles; and Carla Smith and Zeida Dunns for field events. Coach Kuhar is looking for a winning spring season and apparently has the talent for it.

BEST WISHES TO THE CLASS OF 1983

*May the chapter you've completed
Always prove to be
The source of many a pleasant thought
And happy memory
May the chapter you're starting
Be a rewarding one
Filled with success and achievement
And many honors won
May all the chapters that are ahead
Very surely hold
The realization of all your hopes
As they happily unfold*
